CONDITIONAL SALES CONTRACT

THIS CONTRACT, made, executed and delivered as of this 6th day of December, 1976, by Railroad Car Enterprises, a general partnership organized and existing under the laws of the State of Maryland, having its principal place of business at 7411 Riggs Road, Hyattsville, Maryland (hereinafter known and designated as "Buyer") and Whitehead & Kales Company, a Michigan corporation having its principal place of business at 58 Haltiner Street, Detroit, Michigan. The term "Seller," when used herein, shall refer to Whitehead & Kales Company prior to any assignment by it of any of its rights and obligations hereunder, and shall thereafter refer to its Assignee or any subsequent assignee (except as provided in paragraphs 8.8 and 8.11 hereof).

W I T N E S S E T H :

WHEREAS, upon and subject to the terms and conditions hereinafter contained, Buyer desires to purchase from Seller 100 enclosed tri-level auto racks, more fully described with Seller's serial numbers in Exhibit A to Schedule 1 attached hereto, (hereinafter collectively called the "Racks"); and

WHEREAS, the purchase price for such Racks will be evidenced by a Secured Note (the "Note") dated this date and to be delivered by Buyer to Seller contemporaneously with the execution hereof; and

WHEREAS, Buyer desires to secure Seller (and any subsequent holder or holders of said Note) in the full and prompt payment of said Note and in the full and prompt performance of all of its duties and obligations herein contained.

NOW, THEREFORE, in consideration of the promises and the covenants and undertakings hereinafter contained, it is mutually agreed as follows:

1. PURCHASE AND SALE OF RACKS. Seller hereby sells to Buyer, and Buyer hereby purchases from Seller, the Racks.

2. PURCHASE PRICE AND PAYMENT. Buyer shall pay to Seller for the Racks the total price thereof set forth in Schedule 1, payable in accordance with the terms of the Note in the form hereunto attached as Schedule 2 to be made, executed and delivered by Buyer to Seller contemporaneously with the execution hereof.

3. DELIVERY OF RACKS. Delivery of the Racks is hereby acknowledged to have been made by Seller to Buyer prior to the execution hereof, at which time, or immediately thereafter, said Racks are to be placed in use by Buyer or its lessee or its sublessee. Buyer acknowledges receipt of the Racks in satisfactory condition and accepts the same and also acknowledges that they conform to the description and to any sample or model previously examined by Buyer.

4.1. SELLER'S WARRANTIES. Seller guarantees the Racks furnished under this Contract will be free from defects of material and workmanship for a period of twelve (12) months from the shipping date of each Rack and will fully repair any and all Racks furnished under this Contract damaged due to defective material or faulty workmanship, occurring within the warranty period at no cost to the Buyer. Buyer shall, at its own cost, transport any Rack on which work is to be performed pursuant to this Paragraph to Seller's place of business at the address first hereinabove set forth, where such work shall be performed.

4.2 THE FOREGOING WARRANTIES ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR PURPOSE, OR OF ANY OTHER KIND, EXPRESS OR IMPLIED: and in no event shall Seller be liable for consequential damages.

5. TITLE AND SECURITY INTEREST. To secure the full and prompt payment of the Note and the full and prompt performance of all of Buyer's duties and obligations hereunder (hereinafter collectively called the "Indebtedness"), Seller has retained title to the Racks and a security interest in the Racks and in all additions, attachments, accessions, parts, replacements, substitutions and renewals thereof or therefor, wherever situated and all cash and noncash proceeds and products of all of the foregoing (hereinafter collectively called the "Collateral") to secure full and prompt payment and/or performance of the Indebtedness.

6. WARRANTIES, COVENANTS AND AGREEMENTS. Buyer warrants, covenants and agrees as follows:

6.1. The Collateral has been acquired for use in its business.

6.2. None of the Collateral is subject to any lien and/or security interest other than that in favor of Seller.

6.3. Buyer will keep the Collateral free at all times from any and all liens, security interests or encumbrances, other than those in favor of (i) Seller, (ii) the lessee under the Lease referred to in Section 6.9 and (iii) Sun Life Insurance Company of America as assignee of Seller. Buyer will not use, or suffer or permit any other person to use, any Collateral in violation of any applicable statute, ordinance, or policy of insurance thereon. Seller or its

agents or attorneys may at any and all reasonable times inspect the Collateral and may enter upon any and all premises where the same is kept or might be located.

6.4. Buyer will do all acts and things, and will execute all writings requested by Seller to establish, maintain and continue perfected Seller's title to, and/or first security interest of Seller in, the Collateral, including the payment of all fees and expenses incurred in connection therewith.

6.5. Buyer will pay promptly and within the time that they can be paid without interest or penalty, all taxes, assessments and similar imposts and charges which are now, or hereafter during the effective period of this Contract may become, a lien, charge or encumbrance upon any of the Collateral except to the extent contested in good faith. If Buyer fails to pay any such taxes, assessments or other charges as they become due, Seller shall have the option to do so and Buyer agrees to repay, with interest at the rate of 11% per annum, all amounts so expended by the Seller.

6.6. Buyer will keep the Collateral in good condition and repair and shall safeguard and protect the same from loss, damage or deterioration from any cause whatsoever. If Seller shall so request, Buyer will maintain at all times during the effective period of this Contract with respect to the Collateral, insurance against fire and other risks customarily insured against by persons engaged in similar business to that of Buyer, in such amounts, containing such terms, in such form, for such purposes and written by such companies as may be satisfactory to Seller, payable to Seller as its interest may appear, and Buyer will deliver to Seller at its request evidence satisfactory to Seller that such insurance has been so procured and made payable to Seller. If Buyer fails to maintain satisfactory insurance, Seller shall have the option to do so and Buyer agrees to repay with interest at the rate of 11% per annum, all amounts so expended by Seller.

6.7. Buyer will reimburse Seller, in accordance with the provisions of the Uniform Commercial Code in effect in the State of Maryland at the date of this Contract (hereinafter referred to as the "Uniform Commercial Code") for all expenses, including reasonable attorney fees and legal expenses, incurred by Seller in seeking to collect the Indebtedness or any part thereof, or in pursuing any of its rights or remedies hereunder.

6.8. Buyer's chief place of business is at the address first shown above, and Buyer shall immediately notify Seller in writing of any change in Buyer's chief place of business.

6.9. Buyer will not sell, transfer or otherwise dispose of the Collateral or any part thereof or all or any part of its interest in this Contract without the prior written consent of

Seller so long as any Indebtedness remains outstanding and unpaid. However, Buyer may lease the Collateral, or any part thereof, to Chicago, Milwaukee, St. Paul and Pacific Railroad Company (the "Lessee"). The Lessee will use the Collateral for the purpose for which it is designed. Buyer will maintain the leased Collateral in good condition and repair, except that by provision in said lease agreement (the "Lease"), Buyer may require the Lessee to maintain the leased Collateral in good condition and repair in accordance with the provisions of the Lease.

6.10. (a) In the event any of the Racks are destroyed, stolen or in the opinion of the Lessee damaged beyond economical repair prior to the payment by the Buyer of the Indebtedness in full and performance by the Buyer of all its duties and obligations hereunder, then the Buyer (promptly upon receipt of notice from the Lessee) shall give notice to the Seller of the occurrence of such event. On the first day thereafter that a payment is due pursuant to the terms of the Note, Buyer shall prepay and apply on the Note an amount equal to the "Present Value of Rents," as hereinafter defined, remaining unpaid with respect to each such Rack so destroyed, stolen or damaged. Said prepayments shall be applied on the Note so that after giving effect to such application and the release of the Racks from said Lease and the lien hereof:

- (i) The aggregate principal amount remaining unpaid on the Note does not exceed the "Present Value of Rents", as hereinafter defined, in respect of all other Racks which then remain subject to said Lease and the security interest of this agreement; and
- (ii) Each of the remaining installments of the Note shall be reduced in the proportion that the principal amount of the prepayment bears to the unpaid principal amount of the Note immediately prior to the prepayment.

(b) Provided no default exists in performance of the obligations of the Buyer to be performed under this Contract, any amounts in excess of the "Present Value of Rents," as hereinafter defined, in respect of any Rack for which settlement is made shall be released to, or as directed by, the Buyer.

(c) The term "Present Value of Rents" for any Rack shall mean as of any date an amount equal to the present value of the remaining rentals to be made pursuant to the Lease for such Rack (such present value to be computed by discounting the remaining rentals at a rate of 7-1/2% per annum) together with an amount equal to 10% of the original cost thereof as shown in Schedule 1.

(d) So long as no default in the Lease has occurred and is continuing, the Seller shall execute a release in response of any Rack designated by the Lessee under the Lease for settlement upon receipt of: (1) written notice from the Lessee designating the Rack in respect of which the Lease will terminate and (ii) settlement by the Lessee for such Rack in compliance with Paragraph 12 of the Lease.

6.11 Buyer will do all acts and things, and will execute, acknowledge, deliver, file and record all writings requested by Seller to establish, maintain and continue perfected Seller's title to, and/or a first security interest of Seller in, the Collateral and will promptly on demand pay all costs and expenses of filing and recording, including the costs of any searches deemed necessary by Seller to establish and determine the validity and priority of Seller's title to, and security interest in, the Collateral. Buyer will furnish promptly to Seller certificates or other evidence of all filings, registrations and recordings required hereunder. Buyer will pay, or cause to be paid, all reasonable costs, charges and expenses, including stamp, excise and other taxes, if any, incident to the printing or other duplication, execution, acknowledgement or delivery of this Contract or the Indebtedness, or any assignment thereof, whether now or hereafter payable.

7. DEFAULTS, ENFORCEMENT AND APPLICATION OF PROCEEDS.

7.1. The occurrence of any one of the following events (herein called an "Event of Default") shall constitute an Event of Default hereunder and under the Note:

- (i) Default in the payment of any installment of interest and/or principal on the Note, for a period of thirty (30) days after the same shall become due and payable thereunder; or
- (ii) Failure of Buyer to observe or perform any covenants, warranties or undertakings on Buyer's part in this Contract contained, if written notice of such failure, requiring Buyer to remedy the same, shall have been given to Buyer by the Seller, and such failure shall continue unremedied for a period of thirty (30) days after the receipt of such notice; or
- (iii) Entry of an order or decree adjudging Buyer a bankrupt or insolvent under any federal or state bankruptcy or insolvency law; or the appointment of a receiver, trustee, liquidator, sequestrator, conservator or assignee in bankruptcy or insolvency of Buyer or its property; or the filing of a petition for the winding up or liquidation of the affairs of Buyer; or Buyer shall institute proceedings to be adjudicated to a

voluntary bankrupt or shall consent to the filing of a bankruptcy petition against it, or Buyer shall admit in writing its inability to pay its debts generally as they become due.

7.2. Upon the occurrence of any Event of Default, Seller may at its discretion and without prior notice to Buyer declare the Indebtedness to be immediately due and payable, and shall have and may exercise any one or more of the rights and remedies for which provision is made in Paragraph 8 hereof, including without limitation the right to take possession and sell, lease or otherwise dispose of any or all of the Collateral and to proceed to protect and enforce this Contract and the Note by suit or suits or proceedings in equity, at law or in bankruptcy, and whether for the specific performance of any covenant or agreement herein contained or in execution or aid of any power herein granted, or for foreclosure hereunder, or for the appointment of a receiver or receivers for the Collateral or any part thereof, or for the recovery of judgment for the Indebtedness or for the enforcement of any other proper legal or equitable remedy available under applicable law. Buyer agrees, upon request of the Seller, to assemble the Collateral and make it available to Seller at any place designated by Seller which is reasonably convenient to Seller and Buyer.

7.3. The Proceeds of any sale or other disposition of the Collateral authorized by this Contract shall be applied by Seller first upon all expenses authorized by the Uniform Commercial Code and all reasonable attorney's fees and legal expenses incurred by Seller; the balance of the proceeds of such sale or other disposition shall be applied in the payment of the Indebtedness, first to interest and then to principal, and the surplus, if any, shall be paid over to Buyer or to such other person or persons as may be entitled thereto under applicable law. Buyer shall remain liable for any deficiency, and it shall pay the same to Seller immediately upon demand.

7.4. No waiver of any default shall be effective unless in writing signed by Seller, and no waiver of any default or forbearance on the part of Seller in enforcing any of its rights under this Agreement shall operate as a waiver of any other default or of the same default on a future occasion or of any such rights.

8. MISCELLANEOUS.

8.1. This Contract shall in all respects be governed by and construed in accordance with the laws of the State of Maryland. Insofar as the foregoing may be contrary to existing local law which cannot be waived by agreement of the parties or in the event that applicable law confers any rights or imposes any duties inconsistent with or in addition to any of the provisions of this Contract, the affected provisions shall be considered amended to conform thereto, but all other provisions hereof shall remain in full force and effect.

8.2. This Contract shall be terminated only when Buyer pays the Indebtedness in full and performs all of its duties and obligations hereunder and a Termination Statement in accordance with the applicable provisions of the Uniform Commercial Code is filed. Until terminated, the security interest hereby created shall continue in full force and effect. If and when Buyer pays the Indebtedness in full and performs all of its duties and obligations hereunder Seller will execute and deliver to Buyer said Termination Statement.

8.3. Until termination of this Contract, Seller shall have and may exercise any and all of the rights and remedies given by this Contract or given to a secured party under the Uniform Commercial Code (regardless of whether the Uniform Commercial Code has been enacted in the jurisdiction where such rights and remedies are asserted) including without limitation the right of the Seller to exercise all rights, privileges and remedies of the Buyer as lessor under the Lease as may be provided for under the Lease or by applicable law, whether in the name of the Seller or the name of the Buyer for the use and benefit of the Seller or to take possession of the Racks and of anything found therein, and the right for that purpose without legal process to enter any premises where the Racks may be found. Any requirement of said Code for reasonable notification of the time and place of any public sale, or of the time after which any private sale or other intended disposition is to be made, shall be met by giving the Buyer at least five (5) days prior written notice of the time and place of any public sale or the time after which any private sale or any other intended disposition is to be made. Buyer acknowledges that such notice is reasonable. This Contract and all such rights and remedies shall inure to the benefit of Seller and its successors and assigns and to other holders who derive from Seller title to or an interest in the Note, or any portion thereof, and shall bind Buyer and its successors and assigns.

8.4. Except as otherwise herein provided, the terms used in this Contract shall have the meanings assigned to them in Article 9 (or, absent definition in Article 9, in any other Article) of the Uniform Commercial Code.

8.5. Seller may resort for the payment of the Indebtedness secured hereby to its several securities therefor in such order and manner as it may think fit, and may at any time release all or any part of such several securities without regard to the consideration, or none, as it may require, or any portion of the Collateral without, as to the remainder of the securities, in anywise impairing or affecting the lien and priorities herein provided for Seller compared to any subordinate lienholder.

8.6. Nothing herein contained is intended, nor should it be construed, to preclude Seller from pursuing any other remedy provided by law for the collection of the Indebtedness or any portion thereof, or for the recovery of any other sum to which Seller may be or become entitled for the breach of this Contract by Buyer.

8.7. Until Seller is advised in writing by Buyer to the contrary, all notices, requests and demands, required hereunder or by law, shall be given to or made upon Buyer at its address first shown above. All such notices, requests and demands shall be deemed duly given and received for all purposes if sent by registered or certified mail, postage prepaid, and deposited in any main or branch office of the United States mails.

8.8. All rights of the Seller in, to and under this Contract and the Note and in and to the Collateral shall pass to and may be exercised by any party to whom Seller shall assign its rights and any successive assignees thereof (Seller's assignee and any successive assignees are collectively called "Assignee"). Buyer acknowledges that Seller intends to assign its rights in this Contract and the Note and in and to the Collateral and does hereby consent thereto, and agrees that the liability of Buyer to the Assignee shall be immediate and absolute and Buyer will not set up any claim against Seller as a defense, counterclaim, or setoff to any action brought by any such Assignee for the unpaid balance of the Indebtedness or for possession of the Collateral.

8.9. Seller has concurrently herewith delivered to Buyer a Bill of Sale for the Racks.

8.10. Counsel for Seller has concurrently herewith delivered to Buyer its opinion (or such other opinion as is acceptable to Assignee) to the effect that:

(a) Seller is a corporation duly organized, validly existing and in good standing under the laws of the State of Michigan, and is presently qualified to do business in that State.

(b) Seller has full right, power and authority to enter into, execute and deliver this Conditional Sales Contract and the Bill of Sale, the Note Assignment and the Contract Assignment as provided herein, and to perform all of the matters and things provided for in such instruments.

(c) The Conditional Sales Contract, the Bill of Sale, the Note Assignment, and the Contract Assignment have been duly authorized, executed and delivered by Seller and constitute the legal, valid and binding obligations, contracts and agreements of Seller, enforceable in accordance with their respective terms.

(d) The Assignee is vested with all of the rights, titles, interests, powers and privileges purported to be assigned by the Note Assignment and the Contract Assignment.

(e) Security title to the Racks is validly vested in the Assignee and at the time of the delivery of each of the Racks to Buyer hereunder, each Rack was free and clear of all claims, liens, security interests and other encumbrances except for the rights of the parties under the Conditional Sales Contract, and the right, title and interest of the Lessee under the Lease.

8.11. Anything herein to the contrary notwithstanding, any Assignee pursuant to Paragraph 8.8 shall have no liability to Buyer for any obligations of Seller under this Contract relating to the Racks and their manufacture, delivery and installation, including any agreement or warranty, express or implied, as to quality, condition, operation or performance of the Racks, or any other obligation of the Seller which, according to the terms and context hereof, is intended to survive an assignment. Any such Assignee shall assume all duties of Seller which, according to the terms and context hereof, relate to matters to be performed after an assignment and by an assignee.

IN WITNESS WHEREOF, Buyer has caused this Contract to be executed by one of its partners thereunto duly authorized by all other partners and Seller has caused this Contract to be executed by its officer thereunto duly authorized all the day and year first above written.
